International Conference on Applications of Engineering for Sustainable Development (ICAESD 2024)
(under the aegis of Diamond Jubilee Celebrations)
Date: 20-21 December, 2024

PAPER PRESENTATION GUIDELINES

1. Only registered author is allowed per paper for presentation.

2. The time limit for paper presentation is 15 minutes (10 minutes for presentation + 05 minutes for queries).

3. The presentation should be in MS-Power point 16:9 layouts in (PPT) format or PDF format.

4. Mention the Conference name: ICAESD 2024, Paper Id number in 1st slide along with the paper title.

5. Minimal text and maximum illustrations are recommended in the presentation.

6. Images, tables, info-graphs can be used; however, audio and video should be avoided.

7. Save ppt/pdf file name as – ICAESD24-Track-Paper ID
   e.g. – ICAESD24-NRES-000

8. It is compulsory for all the participants to fill the online/offline feedback form that will be provided at the end of each session. It is to be noted that without giving feedback, certificates will not be issued to the presenters/participants.

9. Upon arrival, please check in with session facilitator. Please arrive at least 30 minutes prior to the beginning of the session. All presenters should attend the sessions and mark their signatures as proof of attendance.

10. We recommend that you also bring your presentation on a pen drive or other portable memory device for ready usage. You will not generally be able to plug your own laptop into the conference projection system.

11. Conference Presentation Certificate will only be issued to the Registered Author only. However, other authors who want to receive conference certificate and attend the conference need to pay full registration charges to avail conference kit and hospitality.

12. All the presenting authors are required to carry a hard copy of the final camera-ready paper with them during the presentation.

13. Bring a copy of your presentation to the conference on an USB media storage device and hand it over to the session facilitator prior to the start of the session. This copy will be used as a your final presentation.

14. Please note that the organizing committee will not be responsible for any technical issues occurring in the presentation received from the presenters.

15. The flow of slides should be as follows: -

1) Title slide (1 slide): - It should contain,

  a) Conference Name and Sub theme

  b) Paper ID and Title

  c) Presenting author name and affiliation

  d) Name and affiliation of all co-authors (optional)

2) Introduction (1-2 slides)

3) Objectives (1 slide)

4) Literature Review (1-2 slides)

4) Materials and Methods (2-3 slides)

5) Results (2-3 slides)

6) Implications and Conclusions (1-2 slides)

7) References in Vancouver style (1 slide)
